

MOSS COMPOUNDING PHARMACY

January 2023

We are in-network compounding providers and can bill compound medication claims for the following Medicaid programs:

Standard Fee For Service Medicaid

Common medications we are able to successfully bill include, but are not limited to:

- Omeprazole Suspension
- Clonidine suspension
- Molluscum gel
- Numerous other Topical preparations – including diaper rash ointments
- Cardiovascular medications in suspension form
- Anti-seizure medications in suspension form (ie. Zonisamide, Topiramate)

For more details, please feel free to contact us.
